STEPH SEZ/Stephanie Sayfie Aagaard

STEPH SEZ SCOOP

Congrats to South Floridian Mark Paresky and Adam Riemer of EveryoneSmile.com, a provider of branded single-use cameras combined with an online photo community and photo-finishing services. Their cameras were featured on the farewell celebration of The Rosie O'Donnell Show. Rosie took pictures of herself and of the audience, crew and staff using the camera, which was included in the package given away to all audience members.
